1.10 INTERNATIONAL AND LOCAL RELATIONS

During the year 2020/21 NSC continued to maintain its relationship with various stakeholders including, the general public, local and international organizations.

1.11 FUTURE DEVELOPMENT PLANS

The Council is planning to develop a sports centre where, apart from office buildings, indoor and outdoor sports activities for children, youth, women, people with disabilities and the aged will be accommodated. At present the Council is in the process of seeking a land in Dodoma for that purpose.

1.12 RESULTS FOR THE YEAR

During the year ended 30June2021, the Council recorded a surplus of TZS 254,679,172 (30 June 2020: TZS 37,744,830).

The Management continue to strive to increase revenue collection by reviewing the NSC Act in order to give the Council legal powers to increase revenue base and reduce dependency on Government Subvention. Apart from Government subvention, during the year 2020/21 NSC collected TZS 351,780,252 from other sources of funds as compared to the year 2019/20 where it collected TZS 126,229,883. The increase was contributed by the changes in National Council Regulations which included a change of income from gate collection from 1% to 3% thus increasing income from gate collections.

1.13 RISK MANAGEMENT AND INTERNAL CONTROL

The Executive committee accepts final responsibility for the risk management and internal control systems of National Sports Council. It is the responsibility of management to ensure that adequate internal financial and operational control systems are developed and maintained on an ongoing basis in order to provide reasonable assurance regarding:

- Effectiveness and efficiency of operations;
- Safeguarding of NSC's assets;
- Compliance with applicable laws and regulations;
- Reliability of accounting records;
- Operational sustainability under normal as well as adverse conditions; and
- Responsible behaviours towards all stakeholders.

The efficiency of any internal control system is dependent on the strict observance of prescribed measures. There is always a risk of non-compliance of such measures by staff. Whilst no system, of internal control can provide absolute assurance against misstatement or losses, the National Sports Council system is designed to provide the Council with reasonable assurance that the procedures in place are operating effectively.

1.14 SOLVENCY

The Governing Body confirms that applicable accounting standards have been observed and that the financial statements have been prepared on a going concern basis. The Governing

Body has reasonable expectation that the National Sports Council has adequate resources to continue its operational existence for the foreseeable future.

1.15 RELATED PARTY TRANSACTIONS

Details of transactions with related parties are disclosed in Note9 of the financial statements.

1.16 EMPLOYEE WELFARE

Management and Employee's Relationship

(i) Relationship

There were continued good relations between employees and management for the year 2020/21. There were no unresolved complaints received by management from the employees during the year.

(ii) Employment

The Council gives equal access to employment opportunities and ensures that a person is appointed to any given position free from discrimination of any kind. The Council has 23 employees: 9 females and 14 males, there were no changes compared to last year 2019/20.

Medical Assistance

All members of staff with a maximum number of four beneficiaries (dependants) for each employee were availed medical insurance guaranteed by NSC. Currently these services are provided by National Health Insurance Fund.

(iii) Employees Benefit Plans

During the financial year 2020/21, the employee pension benefit is TZS 18,346,150 (2019/20: TZS 17,755,000) as contributions to publicly administered pension plans (i.e. Public Service Social Security Fund (PSSSF) on mandatory basis which qualifies to be a defined contribution plan.

(iv) Persons with Disabilities

It remains the Council's policy to accept disabled persons for employment for those vacancies that they are able to fill. In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the Council continues and appropriate training is arranged. It is the Council's policy that training, career development and promotion of disabled persons is identical to that of other employees.

(v) Training Facilities

In order to improve employee's technical skills and effectiveness, during the year 2020/21, NSC spent TZS 33,729,800 for staff training. (In the year 2019/20 TZS 1,890,000was spent for that purpose). Two Human Resource Officers, One Accountant and One Auditor attended a seminar on HCMIS in Dodoma. A total of six staff, (Two Accountants, One Planning Officer, Procurement Officer, an ICT Officer and One Internal Auditor) attended MUSE training in Morogoro. Two Communication Officers attended trainings on Graphic designing and Public Communications. One Personal Secretary attended TAPSEA Seminar in Arusha. One Office Assistant attended a seminar on preparations for retirement in Tanga. And One Accountant attended a seminar on treatment of PPE Impairment. These training programs have been and are continually being developed to ensure employees are adequately trained at all levels. All employees have some form of annual training to upgrade skills and enhance development.

1.17 GENDER BALANCE

The NSC recognizes gender balance matters. Recruitment and promotion processes provide for equal opportunity to both men and women. The Council constitutes both men and women. As at 30 June2021 NSC had the following distribution of employees by gender:

Gender	2020/21	2019/20
Male	14	14
Female	9	9
Total	<u>23</u>	23

1.18 HIV/AIDS POLICY

The Council recognizes the seriousness of the HIV/AIDS epidemic and its negative impact on the capacity to realize National Sports Council vision and objectives. The Council has adopted HIV/AIDS policy, which aims at raising HIV/AIDS awareness to its employees.

1.19 POLITICAL AND CHARITABLE DONATIONS

The Council did not make contribution to any Political Party during the year under review. Donation of TZS 8,967,680 (2019/20: TZS 10,742,775) was made to Sports National Federation/ Associations by way of providing funds to them, training kits or assisting to cover election expenses.

1.20 AUDITORS

The Controller and Auditor General is the Statutory Auditor of the National Sports Council by virtue of Article 143 of the Constitution of the United Republic of Tanzania (URT) and as amplified in Section 32 (4) of the Public Audit Act, Cap 418(R.E 2021). However, in accordance with Section 33 (1) of the same Act, M/s Global Finance and Business Solutions was authorized to carry out audit of the National Sports Council on behalf of the Controller and Auditor General for the financial statements of the year ended 30 June 2021.

4.0 INDEPENDENT REPORT OF THE CONTROLLER AND AUDITOR GENERAL

Chairperson of the Executive Committee, National Sports Council, P.O. Box 20116, DAR ES SALAAM.

4.1 REPORT ON THE AUDIT OF FINANCIAL STATEMENTS

Opinion

I have audited the financial statements of the National Sports Councilwhich comprise the statement of financial position as at 30 June 2021, and the statement of financial performance, statement of changes in net assets and cash flow statement and the statement of comparison of budget and actual amounts for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly in all material respects, the financial position of National Sports Councilas at 30 June 2021, and its financial performance and its cash flows for the year then ended in accordance with International Public Sector Accounting Standards (IPSAS) Accrual basis of accounting.

Basis for Opinion

I conducted my audit in accordance with the International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the below section entitled "Responsibilities of the Controller and Auditor General for the audit of the financial statements". I am independent of National Sports Councilin accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the National Board of Accountants and Auditors (NBAA) Code of Ethics, and I have fulfilled my other ethical responsibilities in accordance with these requirements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. I have determined that there are no key audit matters to communicate in my report.

Other Information

Management is responsible for the other information. The other information comprises the Councilor's Report and the Declaration by the Head of Finance but does not include the financial statements and my audit report thereon.

My opinion on the financial statements does not cover the other information, and I do not express any form of assurance conclusion thereon. In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I have performed on the other information that I obtained prior to the date of this audit report, I conclude that there is a material misstatement of this other information; I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IPSAS and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Responsibilities of the Controller and Auditor General for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an audit report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances but not for the purpose of
 expressing an opinion on the effectiveness of the entity's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the entity to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are, therefore, the key audit matters. I describe these matters in my audit report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

In addition, Section 10 (2) of the Public Audit Act, Cap 418 [R.E 2021] requires me to satisfy myself that the accounts have been prepared in accordance with the appropriate accounting standards.

Further, Section 48(3) of the Public Procurement Act, 2011 (As amended in 2016) requires me to state in my annual audit report whether or not the audited entity has complied with the procedures prescribed in the Procurement Act and its Regulations.

4.2 REPORT ON COMPLIANCE WITH LEGISLATIONS

Compliance with the Public Procurement Laws

Subject matter: Compliance audit on procurement of works, goods and services

I performed a compliance audit on procurement of works, goods and services at National Sports Council for the financial year 2020/21 as per the Public Procurement Laws in Tanzania.

Conclusion

Based on the audit work performed, I state that, except for the matters described below, procurement of goods, works and services of National Sports Council is generally in compliance with the requirements of the Public Procurement Laws in Tanzania.

i) Insufficient Tender Board Quorum

As per Section 2(1) of the Second Schedule of the Public Procurement Act, 2011(amended 2016) the tender board shall consist of Chairman, six members who are heads of departments or persons of similar standing within the same procuring entity and who shall be appointed by the accounting officer. On the contrary, I observed that from October 2018 - March 2021 the Council's tender board had a Chairperson and four members only, while from March, 2021-June, 2021 the NSC had Chairperson and two members only.

ii. Improper Composition of Procurement Management Unit

Section 37(1)-(2) of the Public Procurement Act, 2011 (amended 2016) stipulates that there shall be established in every procuring entity a Procurement Management Unit staffed to an appropriate level. The PMU shall consist of procurement and other technical specialists together with the necessary supporting and administrative staff. On the contrary, I observed that the Council's PMU has only one procurement staff who also act as head of unit.

NOTE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 2021

1. GENERAL INFORMATION

The National Sports Council of Tanzania (the "Council") was established by Government of Tanzania under the National Sports Council of Tanzania Act No.12 of 27 April 1967 and as amended by Act No.6 of 1971. The operational objectives of the council are to develop, promote, encourage, facilitate, supervise and control all forms of a mature sports in the country both at national and international levels. The address of its registered office is:

National Sports Council P.O. Box 20116, Dares Salaam.

2. BASIS OF PREPARATION

(a) Statement of compliance

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) and its interpretations adopted by International Public Sector Accounting Standards Board (IPSASB).

(b) Basis of preparation

The financial statements have been prepared on the historical cost basis except for the financial instruments at fair value through surplus or deficits measured at fair value. The Council's budget is prepared on cash basis.

The preparation of financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on as on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

(c) Functional and presentation currency

These financial statements are presented in Tanzania Shillings (TZS) which is the Council's both functional and presentation currency. The rounding up of figures in the financial statements has been limited to the nearest shilling.

GOING CONCERN

The Council's accumulated surplus for 2020/21 is TZS 355,043,047 compared to accumulated Surplus of TZS 100,363,875for the financial year 2019/20. As at 30June 2021 current assets exceeded current liabilities by TZS 267,966,738 with current ratio of 4:1, which is above the ideal ratio of 2:1.

The Council is dependent upon subvention from the Government through the Ministry of Finance to pay for the personnel emoluments, to run sports development projects and other office operations. The Management continues to strive to increase revenue collection by reviewing the NSC Act in order to give the Council legal powers to increase revenue base and reduce dependency on Government Subvention, thus the financial statements have been prepared on the basis of accounting policies applicable to a going concern entity.

NEW STANDARDS, AMENDMENTS, AND INTERPRETATIONS

INTERNATIONAL PUBLIC SECTOR ACCOUNTING STANDARDS (IPSAS)

No new standards issued that have effects on financial statement of the council.

SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied in all years presented, unless otherwise stated.

a. Revenue recognition

Revenue is recognized to the extent that it is probable that the service potential associated with the transaction / asset will flow to the entity and that the revenue can be measured reliably.

Revenue from Non-exchange transactions

Revenue from Non-Exchange Transactions (Transfers) are transactions in which one entity receives assets or services, or has liabilities extinguished, and directly gives approximately equal value (primarily in the form of cash, goods, services, or use of assets) to another entity in exchange.

Grants/ Government subvention

Revenue from Non-Exchange Transactions includes Government subventions and assistances received from the government and other donors. Grants are accounted for when there is a reasonable assurance that the grants will be received. Revenue recognition is based on an assessment of whether an asset or a liability has been created. For capital grants without conditions attached, revenue is recognized immediately in the statement of financial

performance. If conditions are attached, a liability is recognized as capital funds in the statement of financial position and is reduced and revenue recognized as the conditions are satisfied.

b. Foreign currency translation

The financial statements are presented in Tanzania Shillings (TZS), which is the Council's functional and presentation currency. Transactions in foreign currencies are initially recorded at the functional currency rate ruling at the date of transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rate of exchange ruling at the date of the statement of financial position. All differences are taken to the statement of financial performance. Non-monetary items that measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the date of the initial transaction.

Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

c. Cash & Cash Equivalents

Cash and cash equivalents are short term highly liquid investments that are readily convertible to known amount of cash and which are subject to insignificant risk of changes in value. Cash and cash equivalents are carried in the Statement of Financial Position at face value. For the purpose of Statement of Cash flow, cash and cash equivalents comprise of cash in hand and deposit on call/specific short time without any encumbrances.

d. Receivables

Receivables are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Allowances for irrecoverable amount are established when there is objective evidence that the Council will not be able to collect all amounts due according to the original terms of the receivable.

e. Budget information

The annual budget is prepared on the cash basis, that is, all planned costs and income are presented in a single statement to determine the needs of the entity. As a result of the adoption of the cash basis for budgeting purposes, there are no basis, timing or entity differences that would require reconciliation between the actual comparable amounts and the amounts presented as a separate additional financial statement in the statement of comparison of budget and actual amounts.

f. Property, plant and equipment

Property and equipment are initially recorded at historical cost. Subsequently, the assets are measured at cost model. The assets are stated at historical cost/fair value excluding day to

day servicing, less accumulated depreciation and accumulated impairment in value. Historical cost includes expenditure that is directly attributable to the acquisition of item. Additional costs are included in the assets carrying amount or recognized as a separate asset as appropriate only when it is probable that future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized.

All other repairs and maintenance are charged to the income statement during the financial year in which they are incurred.

Assets are depreciated using straight line method to write off the cost of each asset over its estimated useful life at a given rate per annum.

Property and equipment acquired during the year are depreciated from the date when they are available for use and cease to be depreciated at earlier of the date that asset is classified as held for sale and the date that the asset is derecognized.

Assets are depreciated based on their projected economic life shown below:

Particular	Years
Buildings	75
Motor Vehicles	5
Office Furniture Fittings & Equipment	5
Electronic Equipment & Accessories	4

g. Employee Benefits

Short Term Benefits

Short-term benefits are monetary and non-monetary benefits as covered in employment contract and scheme of service. An expense is recognized as the entity benefits from services provided by employees.

Post -Employment Benefits

The NSC contributes to Public Service Social Security Fund (PSSSF) 15% of employees' gross emoluments each month. The NSC collects both contributions and remits to the Pension Funds every end of the month. The Pension Funds will bear the pension obligation of the staff after the members' retirement from active employment with NSC.

h. Impairment of assets

The Council recognizes an impairment loss for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash

generating units). Assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment and whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Assets that are subject to amortization are tested for impairment whenever events in circumstances indicate that the carrying amount may not be recoverable.

f. Provisions

Provisions are recognized when the Council has a present legal obligation or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be made.

g. Intangible assets

Intangible assets are stated at cost less amortization. The council used cost model to value its intangible assets as at 30 June, 2021. Intangible assets are amortized over their expected useful lives on the straight-line method at the rate of 12.5% per annum.

j. Trade & Other Payables The liabilities payables are carried at cost, which is measured at the fair or contractual value to be paid in respect of goods or services supplied to the Board, whether billed or not (accrued basis).

k. Related Party

Related parties comprise of key management personnel which include all directors and Board Members of the Council as indicated on Note 9.

Comparative figures

Due to the adoption of the International Public Sector Accounting Standards (IPSAS) for the time during the period from the previous financial reporting framework, comparative figures have been re-aligned to the new reporting framework presentation requirements.

20.2 VARIANCE ANALYSIS ON THE STATEMENT OF BUDGET AND ACTUAL AMOUNTS

The reasons behind the noted variances on the statement of comparison of the budget and actual amounts are explained as follows:

- (a) The OC was fully received during the year 2020/21 i.e. TZS 350,000,000.
- (b) The variance of 13242% on Government grants and subsidies amounting to TZS 469,716,000 is due to the failure to obtain employment permits to fill available vacancies and late promotions.
- (c) Other Income received is higher by 7092% (TZS 243,871,027) compared to budget due to changes in the council regulations where gate collection rate was updated from 1% in the previous years to 3%. Also fully utilization of GePG collection system(Previously customers were reluctant of going to Bank and stay on the queue for long time).
- (d) The reasons behind un attainment of the paid salary goal by 13242% is due to the fact the permit for new employment was not out as of 30 June 2021 and the promotions were lately approved towards the end of the year 2020/21.
- (e) Other Expenses increased by 585% due to increase of activities on Sports development services such as support for election of associations' leaders, sports kits/balls for UMITASHUMTA & UMISETA and athletic which were not budgeted.
